

ACCESSORIES

for Food Warmers

Half Size Pans

Half Solid

Half Perforated

These pans are constructed from 18/8 stainless steel for years of service. The solid pans provide dry heat and the perforated pans provide steam heat for any cooking conditions.

Half Size Lids

Half Flat Lid

Half Domed Lid

These half size lids are available in both flat and domed styles. Both have handles and the domed style provides added capacity to the pan. Made from 18/8 stainless steel for years of service.

Ladles

3 Ounce, One-Piece Ladle

These one-piece, 3-ounce stainless steel ladles provide the ideal serving size for nacho cheese and chili. They are long-handled to reach the bottom of 7 quart inserts.

Adaptor Plates

This two-hole adaptor plate allows you to insert two round pans. The diameter of the holes is 8-3/8" to accommodate standard 7 quart inset pans. Made of 18/8 stainless steel for years of service.

7 Quart Inset Pans

These seven quart inset pans are made of rugged 18/8 stainless steel. Ideal for soups, cheeses, chili and much more. The exterior has a mirror-finished and the interior has a satin finish.

Hinged-Lids

These mirror-finished 18/8 stainless steel hinges fit standard 7 quart inset pans. They have a ladle notch and a piano hinge. They are ideal for any foods that require the use of a ladle.
