

- ✓ Heats with steam for long holding times
- ✓ Adjustable thermostat for all environments
- ✓ 2 separate 1/2 size pans for different flavors
- ✓ Domed lids for large capacity
- ✓ Stainless steel tong & tong holder included
- ✓ All mirror-finished stainless steel construction
- ✓ Attractive graphics for point-of-sale merchandising
- ✓ Three-year parts warranty
- ✓ Easy to clean, breaks down for sink cleaning
- ✓ ETL certified to UL-197 and NSF-4 standards

This food warmer is specifically designed for chicken wings. The twin 4" deep half-size pans and 2" high domed lids provide a large capacity while allowing for different flavors to be merchandised simultaneously.

It is constructed out of mirror finished 18/8 stainless steel and comes with Benchmark USA's three-year warranty for worry free operation. The extra-long legs provide easy access for cleaning and the eye catching graphics will promote sales. All of the pans and lids are removable for easy sink or dishwasher cleaning.

It has a covered master switch and an adjustable thermostat for all cooking/holding conditions.
